Dear Mr. Matthan,

I enclose herein, for your information, copy of a letter I have this day addressed to the Residency in the matter of the deputation of Mr. Forbes to Madras in March next.

Yours sincerely,

16th January 1924.

My dear Mr. Barton,

With reference to your demi-official letter No.C.2967/598 dated the 16th November 1923, and subsequent reminder dated the 11th January 1924, I write to say that there will be no objection to Mr.Forbes' deputation for a week at a time up to a maximum of three weeks early in March next. I am sorry it is not possible to spare his services earlier, as the presence of Mr.Forbes is absolutely necessary here till practically the whole of February in connection with the prosecution in the Sivasamudram case recently ordered. As regards the terms of deputation, the Madras Government may be asked to bear the travelling and halting expenses of Mr.Forbes and reimburse to the Mysore Government to the extent of his pay during the period of his absence.

Yours sincerely,

Sd/- A. R. Banerji.

Mr. W.P.Barton, C.S.I., C.I.E., I.C.S.,

GOVERNMENT OF MYSORE
ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER,
Bangalore 18th January 1924.
(MYSORE, INDIA.)

Dear Mr. Banerji,

I have your D.O.No.473 dated the 16th January 1924 and wish to thank you very much for permitting me to go down to Madras in March to advice the Madras Government on their hydro-electric work.

The terms you have mentioned provide only for Madras Government paying my travelling expenses and reimbursing to Mysore Government my salary during the period of my deputation. I will not get anything out of this and I do not think I would care to go unless I get some extra remuneration as there will be considerable extra work which I will have to do out of my regular office hours after I come back to Bangalore. In addition the Madras Government will be getting free my expert opinion on their hydro-electric schemes and their general industrial situation and I think that I should be allowed a reasonable fee over and above my salary for the extra work which I will have to do and for the opinion which I will have to give and in future

be responsble for it. The Madras Government would have to pay an expert from Home not less than 1000 guineas plus all his expenses and then not get an opinion from one who is familiar with Indian conditions.

I would want, in addition to my salary, a fee of 100 guineas for each time I go down to Madras with a minimum of not less than 200 guineas and I would, therefore, request you to write the Resident and modify the terms already mentioned so as to provide for the above fees, plus the usual travelling allowances, plus my salary to be reimbursed to Mysore Government. I received a fee of 100 guineas (Rs.1650) for simply expressing my opinion on the financial report prepared by the Superintending Engineer, Hydro-electric Survey, for the Punjab Hydro-electric Scheme.

Yours sincerely,

SGF-PRN

Dear Mr. Cater,

Please refer to Mr.Banerji's letter of the 16th instant to the Hon'ble the Resident regarding the deputation of Mr.S.G.Forbes, Chief Electrical Engineer to advise the Madras Govt. in connection with their Hydro-Electric Works. Mr.Forbes has pointed out that the -- terms mentioned in the Dewan's letter provide only for the Madras Govt. paying his travelling expenses and reimbursing the Mysore Govt. in the amount of his salary during the period of deputation and that he will not be getting any fee for the expert opinion given by him. He therefore asks that in addition to his salary a fee of 100 guineas for each occasion on which he goes to Madras with a minimum of not less than 200 guineas may be given to him by the Madras Govt. I am to state that His Highness' Govt. have no objection to Mr.Forbes' receiving any fee that the Madras Govt. may fix ~~in consultation with him~~, the amount of the fee being a matter to be settled between him and that Govt. In this connection, I ~~may~~ am to add that Mr.Forbes received a fee of 100 guineas (Rs.1650) for expressing his opinion on the financial report prepared by the Superintending Engineer, Hydro-Electric Circle, for the Punjab Hydro-Electric scheme. Please see correspondence ending with my letter No.Pol. 358 of the 29th Oct. 1923.

Yours sincerely,

Dear Mr.Matthan,

I would like to refer you to your D.O.No.2329/C.B. dated the 24th January 1924 to the address of Mr.A.N.L.Cater, Secretary to the Resident in Mysore, and to mention that no subsequent formal Government Order has issued sanctioning my deputation to Madras for a week at a time up to a maximum of 3 weeks. The Comptroller requires a formal order for audit purposes and I would be glad if you would kindly issue one.

I would be glad if you would omit to say in the G.O. that the 3 weeks should be in March. I went to Madras for only 4 days in March, and as it was not convenient for me to go again in March, the two subsequent visits have had to be put off until it is convenient for me to go, and the order may therefore specify that my deputation shall consist of not more than 3 visits of one week each.

The terms mentioned in your letter No.2329/C.B. dated the 24th January 1924 have been accepted by Madras,

and with the permission of the Dewan, as contained in his D.O.No.M.589 dated the 27th February 1924, I went to Madras during the first week of March as mentioned above

SGF-PRN.

Yours sincerely,
